GEETANJALI KOHALI

FOUNDER

As the founder of Cinemac Animations, my vision has always been to bridge the gap between creativity and technology in the media and entertainment industry. Our institute focuses on providing students with a strong foundation in both the artistic and technical aspects of media production. Through hands-on learning, industry partnerships, and expert mentorship, we prepare students for the fast-paced, ever-evolving landscape of entertainment. I'm committed to nurturing the next generation of filmmakers, animators, and content creators who will innovate and lead in this dynamic field, helping them turn their passion into impactful careers.

RAMIT KOHLI

CO-FOUNDER

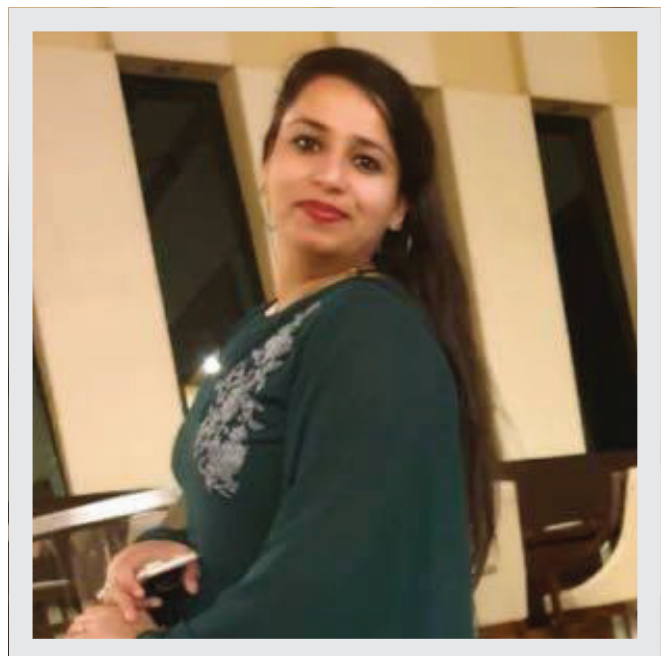

As a co-founder of an entertainment and media institute, I have been deeply involved in shaping the vision and direction of the organization. My role has encompassed strategic planning, curriculum development, and fostering partnerships within the entertainment industry. I've worked tirelessly to build a culture of creativity and excellence, ensuring that students receive hands-on experience and the skills needed to thrive in a rapidly evolving media landscape. Through collaborations with industry leaders, our institute remains at the forefront of innovation, empowering the next generation of storytellers, filmmakers, digital artists, and media professionals to achieve their potential.

ARCHANA BHUTANI

ACADEMIC HEAD

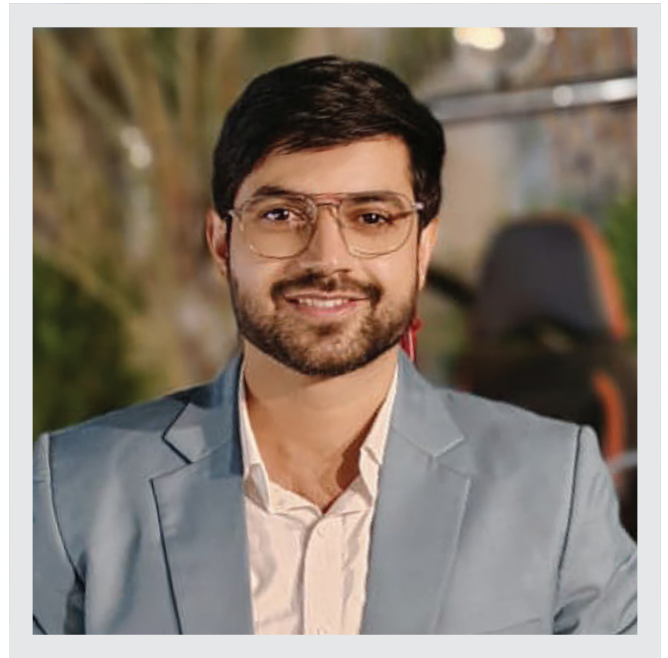

An Academic Head oversees curriculum design, faculty development, and academic operations to ensure high-quality education standards. They mentor faculty, monitor student performance, and implement strategies for academic excellence. By fostering a collaborative learning environment, they drive innovation and uphold institutional goals. Staying updated with industry trends, they ensure programs remain relevant and impactful, preparing students for successful careers while maintaining a culture of continuous improvement and excellence.

ATUL MISHRA
